“A double work belongs to each of these lapping periods: the pulling down of the old and the establishment of the new arrangement or dispensation. And as the Jewish age and people were but the types or shadows, we must expect the results here to be much more extensive than there; and so we shall find them. This twofold work is shown in the statement of the prophet Isa 63:4 **B222**

“The Lord will allow mankind now to go their length in carrying out their own plans and schemes. He will allow them to demonstrate the futility of all these schemes, and that nothing but Divine interposition will save them from wrecking the entire fabric of Society. Indeed, He will permit the wreck, and then reorganize humanity under Messiah; for He promises that His Kingdom shall be “the desire of all nations.” Haggai 2:7” **D5 (1916 Forward)**
